CAMPBELL WELCOMED TO BAY CITIES AT ALVISO CENTENNIAL CELEBRATION

Special invitees to the centennia birthday tribute to the bayside community of Alvisc were the new city officials of the city of Campbell represented by Councilman Joseph Dahl, City Treasurer E. C. Merrill, and City Clerk Mrs. Viola Krug.

Two hundred officials of cities from San Francisco to Morgan Hill gathered to pay tribute to the hundred-year-old city and to welcome the newly-formed City of Campbell into the Bay Area League of Municpalities.

Congratulatory messages came from Governor Earl Warren, tendered by Harry Stoops, Bay Area Civil Defense director, and from California's largest city, Los Angeles, and its mayor, Fletcher Bowron.

Howard Gardner, assistant director of the league, presented Mayor Bowron's message.

Frank Harsh, vice-president and general manager of the Bay Area Council, in the principal address, outlined aim of the council organized five years ago to promote economic and civic development of the nine counties bordering San Francisco Bay.

He warned the municipal officers present they must wage an active campaign to overcome opinions built up in minds of people in the East regarding the Bay area.

Largely because of notice given to Harry Bridges and his union, people have the impression that labor conditions are poor in the Bay area, Marsh said, quoting an Elmo Roper survey.

He said Roper also showed most Easterners believe the Bay Area has no room for industrial expansion and that residents of the area are "smug and aloof."

Twelve to fifteen new teachers will be needed in Campbell Union School District next year. The added teachers reflect the rapid rise in pupil population of the district that is expected to crowd the classrooms to capacity in spite of four new schools, now in various stages of construction. Rossi, a strong advocate of putting morality and integrity back into government administration,

Louis A. Rossi

proposes to reduce goverment taxes 20 percent. When asked by what means, Rossi said by eliminating federal deadwood, by more conservative purchasing and planning for armed forces needs—in short, by operating the government like a business—on the right side of the ledger.

On foreign affairs, Rossi stated that he is in accord with the fundamental principles of the Marshal Plan, but in his opinion, it has gone out of hand. He would advise sending machines and technical knowledge to European countries rather than out-and-out cash, which, due to the lack of technical

Kay Stoner Wins Lions' Club Contest; Will Participate In Other Zones

In a ten minute speech which excelled in dynamic delivery, Kay Stoner won the Lions Club Student Speaker for Democracy contest held at the Campbell Country Woman's Club hall last night. The general subject was "Learning To Live Together." Miss Stoner is a student of Campbell High School, and her coach was George S. Craig. The judges were Mrs. Dorothy Royce, Mr. Al Ellis, and Emerson "Doc" Arends, contest winner in 1942. The time keeper was Verle Grizzle.

Meyer, aged 40 years, was a member of San Jose Lodge No. 10, F&AM; San Jose Local No. 309, Sheet Metal Workers, Almaden Improvement Club, and chief of the Almaden Fire Department.

Kiwanis To Award Improvement Cup To CUHS Athlete

Local Kiwanians will award to the most improved player on the Campbell Union High School baseball team for the 1952 season a trophy symbolic of his improvement.

A committee of Kiwanians will scout the candidates throughout this season's play, and merit them in accordance with their observations. Greatest credit will be given for performance improvement. This trophy will be given not for the best player of the year necessarily, but to the one who has shown the most improvement. Qualities of scholarship, attitude, daily practice and team play will be judged in making the award.

CAMPBELL TO RECEIVE STATE FUNDS WITH PASSAGE OF BILLS AB 40-41

In a special telephone call to the Campbell Press, Assemblyman Charles S. Gubser and Richard Carpenter of the League of California Cities, announced the introduction in a special session of the California State Legislature, of two bills which directly pertain to monies to be allocated to the new city of Campbell.

Both bills AB 40 and AB 41 concern State allocated emergency funds to be used in the operation of the new city.

Bill AB 41 would allot the sum of $59,400 in emergency funds under Post War Unemployment and Construction Fund to be used for construction work, sewage, streets and street repairs, bridges, storm drains and schools. This money, according to Gubser, with the city's sanction, may be diverted for use in schools and school construction.

Bill AB 40 would allow Campbell the sum of $9,600 under the Plans and Sites Act.

Only hitch to use of these funds, according to Gubser, is that the city must post a like amount, for any anticipated need, and they must be taken advantage of within a year and a half after passage of the bills.

It is anticipated a 90-day period would be required to set up machinery for use of these funds in the City of Campbell.

Gubser reported that he has the assurance of the speaker of the Assembly, and speaker protem of the Senate that these bills will be included in call, and are due to be laid on the Governor's desk within ten days of this date.

Precedent has been established by other cities, newly incorporated, to obtain emergency money in this manner, and both Gubser and Carpenter feel confident of the immediate passage of this legislation to relieve the financial pressure on the newly incorporated city of Campbell.

STAMP PLAN FOR CITY SHOPPERS NOW UNDER WAY

Members of the Campbell Merchants' Stamp Asociation, sponsored by the merchants of Campbell, met last night to elect officers of the corporation and announced that the stamp plan will go into effect this Saturday.

The meeting at 19 South First Street was called by chairman Bill Means, of Clark's Drug store to elect officers from the temporary committee of L. E. Means, president; H. M. Estensen, vice-president, and directors T. R. Solari, Frank Accardi, Robert Seligson, Cel Gerevas, and George E. Jeffers.

Richard Morton, local attorney, has been engaged to give legal assistance to the newly formed organization.

A grievance committee has been appointed consisting of Norm Corvello, Fred Jones, and Mrs. Zelia M. Rhea, to which anyone who feels that they have not been fairly dealt with either in the giving or redemption of coupons is earnestly requested to report with the assurance that the matter will be investigated and proper adjustments will be made, according to the committee.

The stamp plan which starts this Saturday is a plan whereby shoppers receive trading stamps for every purchase at the rate of ten per dollar.

Books are redeemable for three dollars in merchandise at any of the 31 participating merchants.

Stamps will be in the shape of a tree, symbolizing one of Campbell's best-known landmarks, the giant redwood tree planted by Teddy Roosevelt at Winchester and Campbell Avenues.

Harold Estensen, spokesman for the Campbell Merchants Stamp Association, lists members of the association as follows: Modern Shoe Repair, McConnell and Schoenberger Shell Service, Orchard City Grocery, Bud's Texaco, Western Gravel, Winchester Hardware, Accardi's Appliances, Jeffers' Men's and Boys' Wear, Campbell Furniture and Appliance, Bernardi's Signal Gas Station, Rhea's Golden Rule, Campbell Press, Lico's Market, Clark's Drug Store, Campbell Hardware, Nelson Grain, Campbell Variety, Jones Service Station, Campbell Garage, Benson's Campbell Cleaners, Campbell Washette, Campbell Music Center, Campbell Lumber Co., Cefalu Sporting Goods, Guarantee Shoe Store, House of Carpets, Horace's Grocery, and James Rare Plant Nursery.

CITY COUNCIL DISCUSSES ATTORNEYS, ACCOUNTANTS AT SECOND MEET

Two things seemed certain at the second informal gathering of Campbell's City council last Monday in Councilman Joseph Dahl's real estate office.

Campbell needs an attorney to put the city on an operational basis.

Campbell needs a city accountant to set up an administrative code for the local government.

To these ends the main discussions centered on a list of five practicing attorneys available and interested in the position of City Attorney.

City Clerk Mrs. Viola Krug submitted applications from attorney William Clark, attorney from the County Counsel's office, and from Timothy O'Connor of the firm of Kirby, Pasquinelli and O'Connor, read by Morton.

Councilman Morton submitted names of other applicants whom he had contacted verbally and who had expressed interest in the position. They are: Howard Lund, of the firm of Cahill, Martin and Lund in San Jose; John Thompson, formerly with the City Clerk's office, and Joseph Bonnacina, former city attorney for the city of Sunnyvale.

The council agreed to request written applications with qualifications from interested attorneys to be submitted to city clerk Mrs. Krug. Council also agreed to set tonight as the time for interviews in Morton's office in Campbell.

A city attorney pay scale was discussed next. It was agreed, after a comparison of pay scales of cities of comparable size and popu-

Gubser Endorsed By County GOP

Endorsement of Asemblyman Charles S. Gubser of Gilroy by the county's elected party leaders was by an 11-3 vote at a meeting last week, Chairman Robert Free of the Santa Clara County Republican Central committee said.

Free reported that two of the negative votes in the Gubser were by members, who, although not opposed to Gubser, felt that official endorsement should follow the party primary June 3, 1952.

Don Stelling, chairman of the Fremont Republican Asembly, reported to the central committee that the screening study was more detailed than expected due to outstanding qualifications of another aspirant.

Gubser was previously endorsed by all four units of the Republican Asembly in this county.

KINDERGARTEN REGISTRATION

Children in the Moreland District who will be four years and nine months old by next September first, are eligible to attend kindergarten next fall. They should be registered April 1 or 2 at the school, Mrs. Gusie Baker, superintendent, said.

They will be numbered as they enroll, and if facilities are not adequate, a waiting list will be formed.

All children who have not been attending Kindergarten and who will be five years and nine months old by September 1, are eligible for first grade and should register on April 1 and April 2.

If a child has been attending Kindergarten this term he may be in first grade next year even though he is not five years and nine months old by September 1.

It is not necessary for those attending Kindergarten to register for first grade. They will be included in our first grade, by promotion, Mrs. Baker said.

Mrs. L. W. Hansen To Be President San Tomas PTA

Mrs. L. W. Hanson was elected president of the San Tomas PTA at the organization's meeting on March 20 at San Tomas school. Mrs. Burnette W. Creighton was chosen first vice-president; Mrs. H. A. Greeson, second vice-president; Mrs. John Russell, secretary; Mrs. John H. Bergthold, treasurer; Marc Swengel, auditor; Mrs. Robert Farrell, historian.

The new officers will be installed at an installation tea April 24 at 1:00 p.m. at Mrs. Burnette W. Creighton's home on West San Tomas and Peggy Avenues.

The March meeting featured a discussion on the teaching of social science, with Mrs. Helen Peterson, Coordinator of Curriculum for the Campbell Elementary schools, acting as moderator. Third grade pupils of Mrs. Mary Helen Morse's class and a group from Mrs. Leora Emig's fourth grade displayed materials and charts used in their social studies. Children of Mrs. Colonel Kirby's 4th and th grades sang early American songs. The program was organized by Mrs. Esther Fore, second grade.

Mrs. James Barnett, PTA president, introduced Mr. William Henley, Superintendent of the Campbell Union Elementary School District, who presented a history of the San Tomas School District, with charts and pictures showing the growth of the school. Mr. Henley also described plans for the immediate future for the schools of the area. A scale drawing of the multi-purpose room to be constructed on the San Tomas school grounds was shown; construction, Mr. Henley announced, will start in mid-May. The talk was received with intense interest, and many questions were asked.

Mrs. R. W. Martin, past president of two terms, gave a farewell talk, as she will no longer be connected with the San Tomas PTA after this year, when her children will be advanced to the Campbell Grammar School.

The group voted to contribute $10.00 toward the conservation of Butano Forest, last virgin stand of redwoods now threatened by the woodsmen's axe.

The flag salute was led by Jack Motes, third grader and cub scout of Pack 3. Jack, who is eight years old, is first denner of Den 1, and wears the wolf badge with a gild arrow and two silver arrows.

Refreshments were served by hostesses Mrs. H. A. Greeson, Mrs. John Russell, Mrs. Andrew Lassen, under the chairmanship of Mrs. Gunnar Peterson.

Michael Schenk Welcomed By Double Party

Two welcoming showers were given March 16 for Michael Timothy Schenk, two and a half year old son of Mr. and Mrs. Ted Schenk. Michael's mother was feted by co-hostesses Mrs. V. A. Robinson and Mrs. Earl Clark at the latter's home on Campbell Avenue. At the same time Mr. Schenk was surprised in his Sunny Oaks residence by friends bearing gifts and refreshments. The ladies played bingo; the men played cards and told stories.

The guests and donors of both parties were Mesdames Howard Hubbard, C. Byrnes, H. Whitehouse, Henry Young, Martin Shadle, Oiver Jenson, V. A. Robinson, Flora Hughes; Misses Mary Fablinger, Marilyn Toy, Connie Hope; Mr. and Mrs. Ray Clancy, Mr. and Mrs. Ken Dunton, Mr. and Mrs. Earl Clark, Mr. and Mrs. A. Robinson, Mr. and Mrs. Joe Agostinho, Mr. and Mrs. Dave Sanders, Mr. and Mrs. Dick Van Rossem; Mr. Bill Enochs, Mrs. Anne Strodthoff, Eric Strodthoff, Janie and Jimmy Clark.

WILLIAM S. PFEIFLE

CHOICE OF CONGRESSMAN JACK Z. ANDERSON — READ ANDERSON'S STATEMENT

March 11, 1952

Greetings:

Well over a year ago, I made my personal decision that this would be my last term in Congress. Only two members of my immediate family were advised at that time. Soon thereafter I came to the conclusion that if I were properly and conscientiously to discarge my duty to the people who had supported me and worked for my electons in the past, I should look for someone who could and would carry on the task I was leaving. Naturally, I wanted a successor who felt as I did about politics and government and someone whom the voters could trust. The job of suggesting a "properly qualified" candidate was too big for me to do alone—so the "Secret Seven" was born!

7 Friends Knew Anderson Would Retire

The "Secret Seven": No man in public life ever had a more closely knit, loyal, patriotic and sincere group of men trying to help solve a difficult problem. Each one of them was selected by me personally, and to their everlasting credit (and mine as the one who picked them) not one word about my proposed retirement ever leaked out in spite of the fact that each of them knew about it for over a year! Is it any wonder that I come to their defense when I hear of them being publicly and privately censured for having "conspired" with me to give "political" advantage to a particular candidate for the job I am leaving?

I am now advised that a lot of people feel "hurt" because they were not included in the group which I selected to confide in. That is perfectly understandable, as I have always known that my friends and supporters in the four counties comprising the 8th District numbered in the hundreds and thousands. What a dilemma I was faced with. It's like sending out Christmas cards: if you try to include everyone, you always forget someone. So, I decided to restrict the number to seven.

Who are they: First of all they are my **friends.** Arthur Carmichael and Wayne Hutchins of San Jose. Elmer Weymouth of Gilroy. Joe Gabriel of Hollister and Worth Brown and Bill Troyer of Santa Cruz. John Porter of Watsonville was an original member, but because he was unable to serve, Derrol Chace of San Jose later took his place. I went through San Jose High with Carmichael and Hutchins and both of them have managed one or more of my past campaigns. All of the group are well known and respected and, I repeat, they are my **friends** — the kind who stick through thick and thin.

Many Possible Candidates Considered

Our job was not an easy one. All we had to do was to try an dsuggest a candidate for Congress whose ideals were 100 percent American and who thought more or less as we do about democracy and government. There are literally thousands of such citizens in any Congressional District.

The big problem is to try and recommend the one who can carry on against all of the pressures and temptations in public life. We set up three primary qualifications:—honesty, ability and electability. Then we went to work.

BILL PFEIFLE WAS UNANIMOUS CHOICE

Numerous meetings were held over a period of nearly a year. Many individuals were considered, discussed and analyzed. At long last we came down to the finish line with Bill Pfeifle of San Jose. After the most painstaking scrutiny and the most careful deliberation, we unanimously selected Bill Pfeifle as our candidate. His family background, his educational background, his public service record and his outstanding military record were among the factors which tipped the scale in his favor. We realized that we were not actually selecting a Congressman. After all, it is the privilege of every American citizen to aspire to public office. All we could do was to recommend a candidate whom we considered properly qualified to represent almost four hundred thousand other American citizens in the Congress of the United States. If this be treason, then we must plead guilty.

ANDERSON "ASKED" SAME WAY IN '38

It has been said that history repeats itself. This I know to be true. It was just fourteen years ago, in the spring of 1938, that an unofficial group of seven 8th Congressional District citizens asked me if I would be a candidate for Congress on the Republican ticket. I said that I would. I ran and I won.

It irks me no little to learn now that a lot of people who weren't around in 1938, as well as some who were, are upset, unhappy and "hurt" and also determined that the "Anderson candidate" shall not be nominated. But it makes my blood boil to hear of the rumors that are being spread and the methods that are being employed to discredit Bill Pfeifle, a fine young American, whose patriotism, honesty and integrity are above reproach. To those who would knowingly or even carelessly be part of such devilish slander, I say SHAME.

I am, and shall forever be, grateful for the friendly support and cooperation I have always received. Just try to remember that the man who takes over the job I am leaving has a tough job to do.

Sincerely,

Jack Z. Anderson

ELECT PFEIFLE CONGRESSMAN 10th DIST.

Educators Urge More State Funds For School Costs

Local property owners are carrying an increasing percentage of school costs and the state is spending relatively less in support of schools than it was ten years ago. Thee were among arguments advanced by a group of educational leaders in a conference with Governor Warren last week as they urged $60,000,000 more in state aid for California schools.

The report to the Governor, prepared by the California Teachers' Association, pointed out that inadequate school finance is contributing to a critical shortage of teachers. Since 1939,40, teachers' salaries have not kept pace with the rising cost of living, increasing 81.4 percent as compared to California state employees, which rose 106 percent. The state's school enrollment is increasing at the rate of 100,000 a year and hundreds of districts need more classrooms, which must be built at inflationary cost, the report added.

Present at the conference were Glen Goodwill, Monterey, president of the California Association of School Administrators; Jack Merchant, Martinez, president of the California School Trustees' Association; and Dr. Rex Turner, Oakland, president; Dr. Arthur Corey, executive secretary; and Robert E. McKay, director of Field Service of the California Teachers' Association.

NOW YOU CAN TAKE WOODEN NICKELS, BUD

Look Bud, the next time anyone admonishes you not to take any wooden nickels, sneer in a superior way and tell him the story of the Minneapolis bank that recently decidied to give away wooden nickels for souvenirs of its 50th anniversary.

Because of high taxes and inflated costs, the wood products manufacturer found he had to charge the bank 8 cents apiece for the wooden nickels! So hang on to any wooden nickels you can find; any day now, along with beads and sea shells, we may be using them for a medium of exchange.

Emily McConnell, recuperating from an operation a while ago, is back on the job as co-owner of Rachel's, and is feeling much better, friends report.

Federal Projects To Aid Fishing

The California Fish and Game Commission has given the green light to fix Federal aid projects for 1952 which will look into the improvement of fishing from the top of the Sierra to the deep Pacific.

The first of the State's Dingell—Johnson projects were presented at the Commission's March meeting in Fresno. The total State-Federal budget amounts to $171,000 for the 1951-52 fiscal year. Three-quarters of the funds are provided by the return of a portion of the Federal tax on angling gear.

An investigation into means of improving surf fishing along the California coast will account for $5,000 of the State share of the D-J budget. A survey of the decline of yellowtail will take $25,000 from State funds.

Commissioners approved of the expenditure of $16,000 for a stream restoration project on the north coast, $7,000 for a study of catfish, and $5,900 for a back country fish management project. More knowledge about the potentially dangerous lamprey will cost $4,400. Most are three year projects.

SR. PRINCESS SMORGASBORD IS SCHEDULED

Janis Henley, Senior Princess of Job's Daughters, Bethel 174, announces that a Senior Princess dinner, in the smorgasbord manner, will be given April 18 from 5:30 to 7:00 in the IOOF Hall. The theme of the dinner will be American Youth, observing Public Schools Week, and decoration will carry out the theme in red, white, and blue.

Funds from the event will be used for installation expenses. A limited number will be served; reservations may be made with Janis Henley, whose phone number is Campbell 3416.

The regular meeting of the Eastern Star will follow the dinner. Mrs. Clifford Gerlach, chairman of the evening, announces that this will be Young American night. As the Masonic order is the originator of Public Schools Week, strict observation of the week is always paid at the meeting adjacent to that time. After a short business session, a variety program will be presented by young people of the community. Musical selections will be given, and a fashion show from the Homemaking Department of Campbell Union High school is being planned.

Season's Styles Introduced By Community Club

A procession of smart spring and summer costumes entertained a capacity house at the Campbell Woman's Club House last Friday evening when the Campbell Community Club presented its "Petticoat Fromenade," with Steffi Abbott Sims as commentator.

Mrs. Sims, whose clever style observations and charming personality are famous in this area, was gowned in a cafe au lait creation with decolletage; atop her blond hair she wore a large frothy sailor hat in the same brown pastel tone; her matching purse was adorned with a cluster of pink camellias.

Against a background of soft green strewn with camellias and highlighted by a pink petticoat, the models displayed clothes from Rachel's of Campbell, Marglad's of San Jose; Grace's of Cambrian Park and the Creative Shop of Cambrian Park. Pink and green floral decorations were contributed by the Campbell Floral Shop, and jewelry worn by the models was furnished by Verle Grizzle and Rachel's.

Harpist Gretchen Schmidt of San Jose State College played romantic background music for the parade of fashions. Mrs. William Beyer, Community Club president, made the welcoming speech, and spectators were received by Mrs. Wayne Thompson. The event was arranged under the co-chairmanship of Mrs. Arthur Cowdery and Mrs. Harley Jones. After the show, tea coffee, and cake were served at tables decked in green and pink, with centerpieces of pink petticoats.

Child models Mary Beyer, Janie Clark, Jimmy Clark, Janet Egling, Elroy Fellman, Rollie Fellman, Valerie Grizzle, Janice Jones, Pamela Lantz, Cynthia Lyons, Pamela Parker, Peter Swan, Jerry York, and Gailen Thompson, showed young fashions from Grace's. Especially notable were Cinderella dresses with boufant skirts and pettiskirts, straw bonnets and lady-like purses, cowboy outfits in denim, plaid shorts and Indian regalia to delight the younger set as well as their parents.

Randomly selected, striking costumes included a turtle-necked, dolman-sleeved nylon sweater in greyed rose, worn with a peg top orlon skirt; pedal pushers with a terrycloth shirt; a bathing suit of coral nylon with nylon net at the bodice; a white cotton lace formal, ballerina length, with a lace jacket; around-the-clock two-piece hand screened print with rhinestones at the midriff; and a double breasted coat dress in charcoal grey taffa-silk.

Models were Mesdames Robert Boltz, Arthur Cowdery, Richard Drew, George Egling, Verle Grizzle, Reese Parker, Robert Swan, Arthur Thompson, Allen York, Donald York, R. J. Flagg and Miss Marilyn Toy.

Bouffancy and frou-frou were noted as salient features of the season's dress clothes. Easy launderability and comfortable, natural lines are essential to the new casual garments. The glitter of gold and rhinestones may accent either form of attire.

Surprise Shower

Mrs. Merle Gardner, Hamilton Avenue, was honored recipient of a decorated crib filled with shower gifts when 40 of her friends and neighbors gathered at the home of Mrs. Ward Edsinger, Apricot Avenue, March 19, for a surprise breakfast. Co-hostesses for the event with Mrs. Edsinger were Mrs. Malcolm Blue and Mrs. Veronica Stoner.

Camellias were used in a table centerpiece and daffodils from the garden of Mrs. Henry Young were displayed throughout the house.

lation to pay a larger amount for the first six months of the organizational period of the new government and to set a reduced scale thereafter.

In connection with the office of city accountant, John Anderson, certified public accountant and business consultant, spoke to the group on city revenue to be secured immediately and offered his services as a coordinator to the new government.

Anderson said that it would be a mistake to put too many taxes on property instead of drawing on the state for revenue. "The city tax bill should take the place of current county taxes," Anderson said, "There would be immediate revenue available from PG&E franchises, bicycle and dog licenses and juke boxes, pinball machines, state liquor taxes and others." Anderson said that the county should assess property taxes. "Campbell could not afford to pay the personnel to do this," he said.

Anderson said he would set up a program that would release the burden on the taxpayer and property owners by establishing sound business principles. He said he would require $1,000 for this service. The council agreed to discuss his proposal at a later time.

The council also:

Agreed to contact the Country Woman's Club through City Clerk Mrs. Viola Krug to use their building as the place for city council meetings.

Discussed the Alviso centennial program at which Campbell officials were invited guests. Councilman Dahl chided members on the poor showing of Campbell representatives and suggested that Campbel should join as soon as possible the Bay Area League of Municipalities.

"Three hundred and two cities out of 305 eligible now belong," Dahl said. "We would do well to join and take advantage of their help and guidance."

Council discussed fire and lighting districts and agreed that they should remain in existence until a later date.

Councilman Morton, as former director of County Civil Defense, asked members of the council to think about likely candidates for the office of Campbell Civil defense director.

A proposal to elect a temporary mayor was postponed until a later date.

Slithering Snake Scares Students At Moorpark

Excitement and thrills gripped Moorpark school children last Wednesday morning when a five-foot king snake slithered out of his wire cage in Miss Carolyn Coons's third grade room.

The children who were in the room at the time quickly left to watch from a safer distance. Chaos reigned until Mis Coons, together with the school janitor, succeeded in capturing the reptile.

In recognition of Miss Coons's feat ,her felow teachers banded together and presented her with the following tribute: "The undersigned wish to nominate the brave and honorable Carolyn (Snake) Coons for the dangerous position of head of the Moorpark Safari to Africa to hunt cobras. We feel that she showed great strength and fortitude in tracking down the huge and dangerous 'King Cobra' this morning in her room."

Third grader Robert Pisano brought the snake to school so that his classmates could watch it shedding its skin. The snake belongs to Mr. Rocci Pisano, of the San Jose State College Biology Department, uncle of Robert.

Moreland School To Present Magic Show

Moreland School and Moreland Parent-Teachers' Association will sponsor a two-hour magic show, "The Great Toussaint," at the Campbell Union High School auditorium at 8 p.m. Friday, April 18. Profits of the show will be used to purchase instruments for the school orchestra.

"Since Moreland has a limited number and limited variety of orchestra instruments, we must find means of forming a well-balanced orchestra," Mrs. Gussie Baker, superintendent, said.

"There has been a tremendous increase in enrollment with an increase in requests from students to play musical instruments," Mrs. Baker added. "Our school does not own a flute, oboe, bassoon, saxaphone, good trombone, tuba, mellophone, cymbals, or kettle drums. With some of the instruments available it is very difficult for the students to produce a good tone quality."

April Fool Dance Set For Teenagers

Union District's "Teen-Age Roundup" will hold an April Fool party tomorrow night at the Union School Cafetorium from 7:30 to 10:30 p.m.

There will be games, dancing, and dance instruction. Refreshments will also be served.

Bob Harris of San Jose YMCA will be in charge of the program. Leon Mack, eighth grader, is head of the youth committee.

Mrs. Floyd Mack is in charge of the adult committee.

Young people are requested to return their signed membership applications and 50c fee at this time.

know-how, would not receive the full use for which it was intended.

"In other words," Rossi said, "Make the countries self-supporting so they may rely on their own iniative rather than accept charity from American subsidization."

"National economy and resources should be developed to the point where private industry and business can operate to full capacity. This will mean employment for every worker with fair wages to him and fair prices to the consumer

"The answer to inflation and high prices is ,and always has been, full production," Rossi added.

Rossi promises a square deal for veterans, paying particular attention to those with service connected disabilities.

Rossi said he was for revising existing labor legislation so that both labor and management may be assured of fair treatment with equal responsibility to the public.

He assured farmers adequate consumer markets for all farm products at prices which will enable families to enjoy prosperity and economic security. Rossi said he wanted to see an end to all government meddling and interference in farming.

Rossi, 52, married, lives with his wife Emily at 1007 Camino Pablo. He has a daughter, Mrs. Paul Pendergraft of Los Gatos, and two grandsons, aged two and three and one-half years.

For twenty years, Rossi was with Hart's department store, fifteen years as division manager and buyer. He later managed the Farmers' Union, and in April, 1946, established his furniture store at Second and San Salvador Streets in San Jose.

Rossi has been active in many civic groups. He is past president and a life member of the Salvation Army Advisory Board of San Jose; past State Commander of the Legion of Guardsmen and a present national committeeman; was general chairman of the 1947 San Jose Community Chest campaign; is a past exalted ruler of the San Jose Lodge of Elks, past president of the San Jose Better Business Bureau; director of the USO and director of patriotic parades in San Jose for many years.

Discuss Changes

Lillian Billington, professor of education at San Jose State College, was the speaker at a meeting of Campbell Union School District second grade teachers Wednesday afternoon. The meeting was called to discuss methods of making the change over from script to handwriting in second grade classes. This change is made each year at this time. Miss Billington is the author of several State textbooks and is co-author of the State textbook on handwriting.

It will soon be Homes Show Time in San Jose and Violette Bennett is shown above in one of the typical exhibits featuring everything ne wfor the home. The Homes Beautiful Exhibition will be held April 3 through April 6 at San Jose Civic Auditorium.

BUC GRID SKED SHOWS CHANGES FROM LAST YEAR

Campbell high's complete nine-game football schedule drops two games formerly scheduled for the coming season and adds three new ones when the Bucs take to the gridiron again this year.

The first game of the new season pits Campbell against Capuchino, a new high school near San Bruno, to be played on the Buc gridiron, October 3. The second contest is scheduled for Fremont with Fremont. This, the first league game, will take place October 10.

San Jose High is next on the Buc's list of opponents to be played on the visitors' field October 17.

The game scheduled with Menlo school, is the next change in the schedule from last year, when the Bucs tangle with the Menlomen, November 14.

Coach Jim Muir expects to combine the T with a single wing formation for the coming season's attack.

Seal Sales Aid Camp Campbell

Among the projects financed by annual Easter Seal Campaign are summer camperships enabling children to attend Easter Seal Camp at Camp Campbell in the Santa Cruz Mountains during the last two weeks in August.

Outdoor living as exemplified by summer camp, the type of experience which once belonged only to children with healthy and sound limbs, has been enjoyed for several years by physically handicapped children in Santa Clara County through efforts of the County Crippled Children's Society.

"Summer camperships mean a youngster can enjoy the full companionship of other children in a wide range of projects without having to feel "left out" of anything because of disability," said Mrs. M. D. Baker, president of County Crippled Children's Society.

Easter Seal Camp at Camp Cempbell is operated by Santa Cruz County Crippled Children's Society, which makes available a certain number of camperships for other counties. Children over fourteen attend Easter Seal Camp at Crestline in the San Bernardino mountains.

DICK DULLECK ENTERS RACE FOR CONGRESS

Richard W. "Dick" Dulleck, Mountain View contractor and builder, has indicated his intention of entering the 10th District Congressional race.

In a statement of his platform to the Campbell Press, Dulleck said he is in accord with the principals of the United Nations and believes it to be the outstanding world organization.

On the Korean War, Dulleck is for severing peace negotiations and ending the war using the strategy of General Douglas MacArthur.

As far as foreign policy is concerned," Dulleck said, "We should limit our committments to only those we can fulfill."

He believes Alaska and Hawaii should receive statehood for reasons of National Defense.

He believes in universal military training, administrative changes in Veterans benefits, in seeing management and labor get fair consideration in all legislation that pertains to them.

Dulleck said he favored drastic cuts in non-essential governmental spending as the best way to reduce taxes.

Dulleck, 40, son of a missionary, was himself a minister in a church for a time in Rock Springs, Wyoming.

Dulleck worked as a carpenter for Henry Doelger Building firm in San Francisco, until he moved to Redwood City in 1937 to enter the building business with his brother and later for himself. At present, Dulleck is president of D. and B. Construction, Inc.

He is a member of the building committee and chairman of the board of trustees, and sings in the choir of the Methodist Community Church of Los Altos. He has worked on Scout committees in Los Altos, and recently resigned as Scoutmaster of the Methodist Church to become active in the campaign.

Dulleck is a member of Palo Alto Elks Lodge and Redwood City Eagles. He carries a card in Carpenters local of San Mateo.

RACKETS DEVELOP TO SOLICIT FUNDS FOR POLITICS

Warning that unauthorized individuals and groups in California are soliciting political contributions, Chairman T. H. DeLap of the Republican State Central Committee today appealed for contributions to the official Republican finance committees.

DeLap said rackets always develop during political campaigns and the public should be sure that political contributions are for the purpose that the giver intends. He said: "This is a crucial election year, but contributions so far are almost non-existent. We cannot have a winning Republican organization in California without sufficient finances. Organization work must be financed so that it can be done early—it cannot be done at the last minute."

Of special interest to Campbell residents was California pending legislation affecting cities and urban unincorporated communities, that Marsh pointed out.

Bob Letts, radio commentator, who served as master of ceremonies, read a tribute to Alviso as one of the State's first and smallest communities and to its noted native sons, among them are late A. P. Giannini, founder of the Bank of America, and the late John O'Toole, former San Francisco attorney.

City engineer and honorary ex-officio mayor of Alviso, Don Reinoehl, welcomed guests on behalf of the community.

Mayor Tony P. Santos of Alviso introduced members of the bayside city's official family. Arthur B. Sullivan, city manager of San Mateo and president of Peninsula Division, served as chairman.
